

K-12 FRISBEE School Assembly

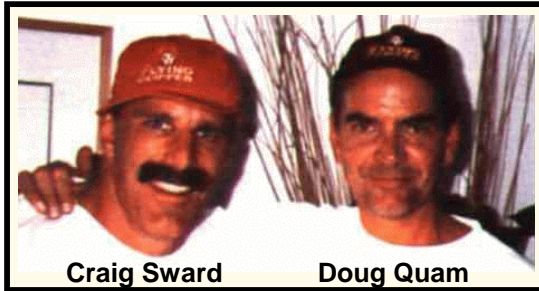

The CODE For Better Health & Social Responsibility
In Youth With FRISBEE Demonstrations & Instructions

w/10 Day PE Lesson Plan

- Two man, 45 minutes, safe assembly, capturing attention of all ages.
- Lesson plan for motivating children to do calorie-burning disc activities, indoors or outdoors!
- Dozens of new ideas for youth to start to do with a Frisbee disc all year around!
- Strikes a chord in all ages to pick up a disc and start practicing now, for a lifetime!
- The Duo can also create Frisbee DISC GOLF courses for your students to use year around!

Each Assembly is performed by the creators of the acclaimed instructions DVD, Heave H.O.E.

Craig Sward

Doug Quam

56 years of combined FRISBEE teamwork experience.

\$650 for each assembly, \$350 per PE clinic or addtn'l assembly
